Description

Develop your art and craft skills whilst improving your community inclusion and social skills. Improve your awareness of colour and shape and experience working with a wide variety of materials.

Qualification Aim/Level

Entry Levels

Who is this course for?

This is a course for adults with learning disabilities who wish improve creativity

What can I expect to Learn?

You can expect to learn about colour, shape, texture, size, choices and modelling.

How will I learn?

Your tutor will use a number of different teaching methods to develop your skills. These will include a wide range of authentic materials, individual study, working in pairs/group activities and will include the use of video/audio. You will also have the opportunity to use online learning technologies to develop your skills.

How will I know how well I am doing?

You will have a negotiated individual learning plan which will record your progress each week. Feedback will also be given during the lesson.

Will I need to do extra work at home?

You will be encouraged to use your new skills at home and in the community.

What will I need to provide?

Please bring paper, pen and a folder to keep your work organised. Your tutor will tell you if you need to bring anything else with you.

Are there any other costs?

Money for a drink and snack at break time, or you are welcome to bring your own with you. Additional costs may be requested for resources and outings.

What can I do next?

You can progress on to other courses. Your tutor will advise as to which is the most suitable. The National Careers Service provides information, advice and guidance to help you make decisions on learning, training and work. The service offers confidential and impartial advice and is supported by qualified careers advisers.

To make an appointment please call 0800 100 900 (calls are free from landlines and most mobile numbers) or visit their website <https://nationalcareersservice.direct.gov.uk>
